The more you practice, the more you develop your cognitive flexibility. This book is designed to teach concepts and skills in a way kids understand with ease. Concepts are taught step by step and introduced incrementally. The focus of this book is to provide a solid foundation to fundamental skills. All the skills taught in the book will collectively increase the knowledge and will help kids to prepare and take the test confidently. Practice tests that are available in the market may not provide all the concepts needed. This book is aimed to give both concepts and practice.
